

Occultism

spiritism - white magic - black magic - shamanism - woo-doo

These coherent and specific to areas esotericism can have all sorts of forms also role. For uninitiated shall they rituals and rites extremely freakish as far as obscurest content, after him however it is always affirmative aim, as the case may be he ought to buck up or leastways neutral.

This activity has all sorts of forms as from detection information and communication with other world and air hose valve departed of persons with, communication with subjects in by other dimension on miscellaneous other before verbal levels, removal curses and bane, sorcerous rites and rituals, further set have different appearance, abient beef and by other availability to detection mystery or questing responses and solution.

Acts here above all about miscellaneous flexible budget forms aid or communication in practice akin to mumbo jumbo and ceremonial, giving for uninitiated frequently freakish as far as obscureness content, fashion also filling charge. Theirs as hard as nails abidance and goings are infiltration necessary for accomplishment and effectiveness given activity of. It is concerns also places, time and periods of doing ceremonial or mumbo jumbo or also aid, instruments of, costume and the like.

Special areas esotericism are sorcerous rites and rituals with different saturating and effect

Of these ceremonial with as necessary be concerned in alone occultist or also any more of persons with, them with given bargain concerns. These persons do not have to in some cases be immediately present ceremonial or mumbo jumbo, lasts, when they are represented adequate substitute - subject of representative, to which shall they a close connexion or another arrest. This have to do with also other areas of esotericism, eg. vaticination or of treatment.

Areas in occultism

Spiritism and spiritualism

Spiritism and spiritualism is an area esotericism, which looks spirituality, trust in spirit, air hose valve departed and contingency communication with them, as for example developing appearance, spiritistic sean, tissue and dialogue with departed persons and the like.

With spiritism relates also Psychomantia (otherwise also Psychomantia), which is occult contact midst air hose valve or with spirit. Drug from ways communication with departed is automatic recall letter, when appearance developed persons keep at arm media, which alone held biro on paper.

Magic

Magic is ability to magus apperceive astral the world and be entering touch with certain silos and be able is actuate, be influential in or alter. In astral world with be found miscellaneous beef, column, air hose valve, beings and different other forms ethereal availability. Magic is neutral and according fashion its harnessing with after divides on white positive and on the black negative magic.

White magic

White magic is harnessing assorted affirmative good and beneficial energie for the benefit good achievement, as as for example of treatment diseased by people also animals, as from which is requesting defence and custom, by disposal of curses, by expulsions malignant spirits and elimination negative energie, by connection establishment and communication with by other subjects, by parapsychology and telepathy, by divination and the like.

Black magic

Black magic militates negatively, by dint of sorcerous mumbo jumbo as for example harms, endangers or even kills. Arouses malignant forces, which after executing malignant deeds. These abient and malignant beef infiltration militates by return on that, who's arouses, and this least to an equal extent and this with afterward beat back to his person and his health status. For this reason with esoterics behave fundamentally alone ethically.

Rites and rituals

Curse (bane)

Curse (bane) is designedly decided big emotive ambition aimed at cause bodily harm other person or her somehow otherwise bite into (black magic). Can be curse (bane) anything, perhaps also house, denizen or holder such at home, any kind of article, his holder or bearer such article, though not would about it advance in have knowledge. Curse (bane) can be abolish and person of or anything other bow one in status harmony.

Voodooism

Voodooism is black magic and is the founded on sheer suggestiveness. Shaman (doctor) not had no nonsubjective much, feelings and difficulties causes alone and only trust persons, that it is of charm with. Abient commination stop be responsible for in a trice, ever meet her stop accept, because commination has effect of only through her own ideas, cut and dried suggestiveness on the charm with, anxiety and awfulness, which yourself acc of produces.

Counteractive suggestion, carried affirmative thinking and affirms, as though baleful attraction is annulled, her recovers. Counteraction defence causes from mintage shamanistic suggestions, which with twice by force returns as you were.

Conjuration

Conjuration is sorcerous action, which beacon to by calling, preoccupied and sending of as the case may be also drive away raise (designedly developed) astral beings. In broader meaning of is it a anyone verbal sorcerous formula in use for communication with by those being.

Exorcism

For hung up customer is to be daemon exorcise, which with happening by means of mumbo jumbo called exorcism. Exorcism is exorcize, set have and expulsions daemon for bodies.

Subjects acting in occultism

Daemon

Daemon is being or numinous beef - energy, that by people will helps or bad for. Daemon can be bring to pass evocation by exercise ritualistic black magic. Daemon it's able to out anything in customer malignant features, ideas, exhort him to crime or malignant act and can customer also consistently obsess. For hung up customer is then perhaps daemon exorcise. Beelzebub is devil, tempter and exteriorization positive evils.

Shaman (doctor) and shamanism

Shaman (doctor) is conjurer, curer, oracle, customer with sorcerous ability. Is it a contact (medium, mediator) midst numinous silos, deities and customer. Shamanism is kind primitive religion, in which shall they shamans (doctor) big problem. Be practising also rites voo-doo.

Sensualist - medium (mediator)

Sensualist or otherwise also medium (mediator) is customer with abnormal ability to especially extrasensory apprehension in another (altered) status awareness (trance). Sensualist is ability to accept fuel for environmental also internal enviroment, especially in areas ESP - extrasensory apprehension. Sensibility is demonstrate pro works in the area parapsychology, clairvoyant and divination, healings also occultism. Amount sensibility determines quality apprehension and accomplishment. Sensibility can be be mounting doing exercise and practice.

Other activity of in occultism

Paranormal effect and activity of, mystery and mysteries, solution

Paranormal is all, what be found outside normalcy. Can act concerning effect, activity or also about out of the ordinary abilities, eg. apprehension (sensualist, shaman). Paranormal effect are arcane, enigmatical and inexplicable effect, nonrecurring or recurring, as for

example appearance something or someone, enigmatical sounds, voices and the like. Paranormal activity of are arcane, enigmatical and inexplicable processes and happening, as for example exercise something, circles in corn and the like. Questing likely account and solution.

Businesslike activity is administering for achieving affirmative change

It is about scientific and pointed intellectual work with different beef and virtual subjects aimed at obtaining information and achieving certain status

This work be in progress in extrasensory plane and astral environment according at large authenticated and approved else rule and law. Also by experimental of procedures is here effort about excluding possibilities birth selfdeceptions or hallucinations.

Advantage of is here contingency combinations any more each other coherent esoteric also by other acitivities and their actual executions. In terms of possibilities is guaranteed anonymity, confidentiality and ethic.

All these activities can be mented in relatively short time (according theirs costingness and exigencies repetition), during which time cargoes are only broken number values, which can be by this one acitivities carry off.
